Open Records #8.pdf;

Dear Jasmyne,

Please find attached for your review Open Records #8 that asks for search terms in emails given to Wauwatosa Police Department and the records clerk on 10/30/20. Since filing we have not heard from them and the search term of at least Alvin Cole is the same as the request for production of documents.

Just as a recitation of the conversation. We agreed to speak again on Friday, April 30 at 1:30p.m. We will look over to see what other videos, docs, etc.. that we believe we do not have. You will also check to see if there are any other squad, drone, booking, and other videos which have not been turned over. As you indicated, Mayor McBride keeps all of his text messages but we, unfortunately, have not received any text messages as part of the production. If you can please also send those that would be great.

We will also discuss the Covid emergency search term with you on Friday. Thank you and talk soon.

-- Warm Regards,

Kim
